Discussion Questions – Answer the questions below after viewing the whole movie.

1. During a scene in GATTACA, Vincent’s parents visited a doctor who specialized in child conception to select for the best traits for his future brother. They hoped that his brother would have the best possible chances for a successful life. Some of the traits mentioned in GATTACA included intelligence, height and any possibility of inheritable diseases. If you decided to have a child one day and are given the opportunity to select for special traits, would you do so? Explain why or why not.
2. What does the movie GATTACA say about DNA determining a person’s potential? Provide examples from the movie to support your answer.
3. Describe 3 preparations Vincent had to do everyday to pass as Jerome Morrow at GATTACA. In each case explain why he had to do that.
